A collection of four framed panels of stone mosaic art. The panels are arranged in a 2x2 grid. Each panel features a dense, irregular pattern of small, smooth, rounded stones in various shades of brown, tan, and beige, set against a light-colored background. The frames are made of dark wood with a visible grain. The top-left panel is the largest, while the top-right, bottom-left, and bottom-right panels are smaller and of similar size to each other.
