REGULAR STATUARIO COLLECTION

Elevate Spaces with Statuario Grace

The Regular Statuario Collection in ceramic brings the timeless beauty of natural marble into a more durable and accessible form. Inspired by the luxurious Statuario marble from Italy, this collection offers a sophisticated blend of soft grey veining on a pristine white base, creating an elegant and classic look. Designed for those who appreciate fine aesthetics, this ceramic range perfectly balances luxury and practicality.

REGULAR SATUARIO COLLECTION

Luxury Made Affordable Style Made Simple

Each tile in the Regular Statuario Collection is crafted with precision to mimic the natural patterns and flow of authentic marble. The detailed veining and smooth matte finish elevate any space, providing a high-end look without the high cost. The consistency in pattern and color makes this collection ideal for large areas, ensuring a seamless, continuous marble effect that enhances the visual spaciousness of the room.

Classic Marble Look, Modern Ceramic Performance

REGULAR SATUARIO
COLLECTION

The ceramic Statuario tiles are perfect for various applications, including floors, walls, kitchens, bathrooms, and commercial spaces. Their versatile 600x1200 MM size offers flexibility in design, allowing for both traditional and contemporary layouts. Whether used as a statement floor or an accent wall, these tiles add a touch of elegance and refinement to any environment.

REGULAR SATUARIO COLLECTION

Timeless Elegance, Everyday Durability

Unlike natural marble, the Regular Statuario ceramic tiles are highly resistant to stains, scratches, and moisture, making them an excellent choice for high-traffic areas. They require minimal maintenance and can retain their original beauty for years with simple cleaning. This makes them an ideal solution for busy homes and commercial projects where durability and longevity are essential.
