

REGULAR MARBLE

COLLECTION

600X
1200MM

A perfect balance of scale and sophistication,
crafted to minimize joints and maximize visual
continuity in modern interiors.

FEATURE

Technical Features

Crafted with high-density vitrified technology, these large-format ceramic slabs offer exceptional strength, low water absorption, and long-term durability.

Easy to clean

Surface Excellence

Crafted with precision ceramic technology, this matte surface delivers refined texture, low porosity, and long-lasting durability — ideal for modern architectural spaces.

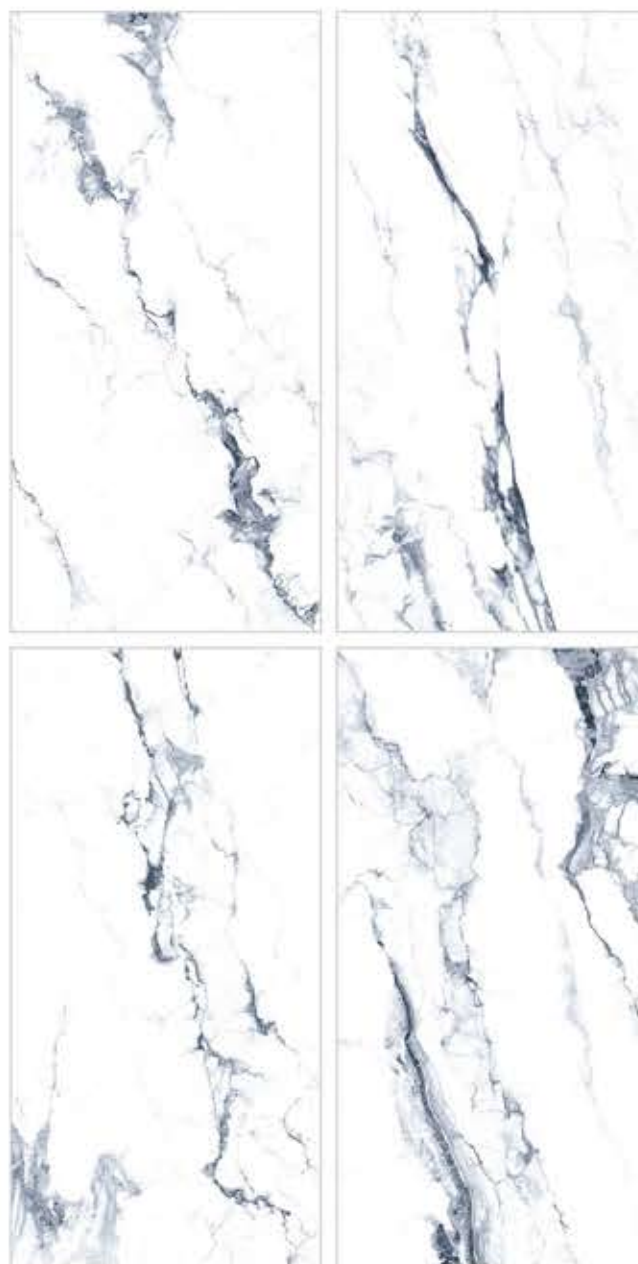

Engineered for both aesthetic appeal and structural performance, the surface offers a smooth yet natural finish that enhances light diffusion while maintaining excellent resistance to stains, moisture, and daily wear. Its subtle tonal variation and clean rectified edges ensure seamless installation, making it a dependable choice for residential, commercial, and high-traffic environments
