LIGHT **DARK**

R A N D O M

REFINED SURFACES

is a leading manufacturer and exporter of Light Dark finish tiles, headquartered in morbi, india. With a strong foundation built on integrity, quality, and excellence, proton is committed to delivering superior products and outstanding customer service.

We utilize the most advanced Italian technology and imported high-tech automated machinery, adhering strictly to international standards. This enables us to deliver products that meet global expectations in terms of both design and durability.

LIGHT **DARK**

R A N D O M

FROM
LIGHT
TO
DARK,
RANDOMLY
REFINED.

The Light–Dark Random Collection celebrates the beauty of natural variation. Flowing unpredictably between soft luminosity and deep, expressive tones, each surface carries a unique rhythm. The random interplay of light and dark creates depth, movement, and a refined visual character—perfectly suited for contemporary interiors that seek individuality without losing balance.
