REFINED SURFACES

Proton is a leading manufacturer and exporter of Light Dark finish tiles, headquartered in morbi, india. With a strong foundation built on integrity, quality, and excellence, proton is committed to delivering superior products and outstanding customer service.

We utilize the most advanced Italian technology and imported high-tech automated machinery, adhering strictly to international standards. This enables us to deliver products that meet global expectations in terms of both design and durability.

FROM
**LIGHT
TO
DARK,**
ENDLESSLY
REFINED.

The Light–Dark Endless Collection blends soft luminosity with deep, bold tones to create surfaces that feel balanced, timeless, and limitless. Designed for modern spaces, each piece flows seamlessly from light to dark, offering endless design possibilities and a refined visual depth that elevates any interior.
